	ToB list	BPG Planting: area assignment									notes
		Pickering Park	Kaarakin BCCC	Ashfield Flats			WAPC	TofB supplied	BPG grown	Total	m^2 spacing allowed in planting vs. required for mature plant (allows for some loss): green-up to twice as many yellow up to 4x too many red - more than 4x too many
				Fish	Triangle	Whitfield St					
Upper Storey											
Allocasuarina fraseriana (Common Sheoak)	✓										
Banksia attenuata (Candle Banksia)	✓										
Banksia litoralis (Swamp Banksia)											High priority for CBC. 25m^2/plant. Low ground.
Causuarina obesa (Salt Sheoak)	✓										
Corymbia calophylla (Marri)	✓		2000	150	150	150			221	221	High priority for CBC. 100m^2/plant. Higher ground. 150$ and 71T potted 16-Feb-13.
Eucaplytus marginata (Jarrah)	✓										
Eucalyptus todtiana (Prickly Bark)	✓										
Eucalyptus rudis (Flooded Gum)	✓										
Melaleuca preissiana (Stout Paperbark)											
Melaleuca rhaphiophylla (Swamp Paperbark)	✓										
	- proposed and not on ToB's list										
Middle Storey											
Acacia dentifera											
Astartea fascicularis											
Acacia pulchella (Prickly Moses)											
Acacia saligna (Golden Wreath Wattle)	✓			50	50	50			99	99	Low priority for CBC. 4m^2/plant. Anywhere. 99 potted 9-Feb-13.
Beaurfortia elegans (Elegant Beaufortia)	✓										
Jacksonia furcellata (Grey Stinkwood)											Med priority for CBC. HW treament. 4m^2/plant. Anywhere.
Jacksonia sternbergiana (Green Stinkwood)	?										
Kunzea ericifolia (Spearwood)											
Melaleuca lateritia (Robin Red Breast)	✓										
Melaleuca viminea (Mohan)											
Melaleuca teretifolia											
Oxylobium lineare (Swan River Pea)				20	16	15			51	51	51 potted 9-Feb-13.
Viminerea juncea (Swish Bush)	✓										
Under Storey											
Acacia lasiocarpa (Panjang)											
Anigozanthos manglesii (Kangaroo Paw)	✓										
Bossiaea eriocarpa (Common Brown Pea)	✓										
Centella asiatica	✓										
Conostylis aculeata (spiney cottonheads)	?										
Conostylis candicans (grey cottonheads)	✓										
Dampiera linearas (Common Dampiera)	✓										
Davesia decurrens (Winged Bitter Pea)											
Dryandra lindleyana (Couch Honeypot)	✓										
Eremaea pauciflora (Orange-Flowered Eremaea)											
Ficinia ~~Isolepsis~~ Nodosa (Knotted Club Rush)	✓										
Gompholobium tomentosum (Hairy Yellow Pea)	✓										
Grevillea brachystachya (Short-spiked Grevillea)											
Grevillea citrum summum											
Grevillea crithmifolia (Green Carpet)											
Grevillea preissii (Spider-Net Grevillea)											
Hakea prostrata (Harsh Hakea)				50	71	125			246	246	High priority planting for CBC. 1m^2/plant. Higher ground. 246 potted 16-Feb-13.
Hakea varia (variable leaf Hakea)											Medium priority for Carnaby's Black Cockatoo
Hakea trifurcata (Two-Leaved Hakea)											High priority planting for Carnaby's Black Cockatoo. 1m^2/plant? Assume same as prostrata. Higher ground.
Hardenbergia comptoniana (Native Wisteria)	✓										
Hemiandra pungens (Snake Bush)											
Hovea Pungens (Devils Pins)	?										
Hovea trisperma (common hovea)											
Hypocalymma angustifolium (White Myrtle)	✓										
Hypocalymma robustum (Swan River Myrtle)											
Isolepis senura	✓										
Juncus pallidus (Giant Rush)	✓										
Juncus kraussii (Shore Rush)		800							0	0	good for habitat, bank stabilization
Melaleuca radula (Graceful Honeymyrtle)											
Melaleuca scabra (Rough Honeymyrtle)											
Totals		800	2000	270	287	340	0	0	617	617
