9.8 Local Planning Scheme No. 10 Amendment No. 4:

BPG submitted concerns on much the same proposals in 1997 and again in 2005, and with strong community opposition to rezoning parks to housing they were mostly rejected on both occasions. Unfortunately, not the case this time. Still the same strong community support to retain our parks, just look at the percentages from the ToFB Staff analysis of the community submissions received.

But the councillors voted predominantly against BPG's views, the ToFB Staff recommendations and the community's wishes. A draft summary is presented below:

TPS No. 10 Ammendment 4: Vote 12-Apr-11				Cr voting average to date
rezone lots 160 & 161 from Parks to Residential	rezone parts of lot 113 & 130 from Parks to Residential	rezone parts of lots 100 and 206 from Residential to Parks		
BPG Submission	Against	Against	For	
analysis by ToFB Staff of community submissions	98% against	95% against	60% in favour	
ToFB Staff Recommendation	Against	Against	Split	
<i>Cr vote results</i>				
Butler	Against	For	Against	33%
Collins	Against	For	Against	33%
Gangell	Against	Against	Against	67%
Lewis	Against	For	Against	33%
Benz	For	For	Against	0%
Brinkworth	For	For	For	33%
Pule	Against	For	Against	33%
Stubbs	For	For	For	33%
Yates	For	For	Against	0%
vote result	failed	passed	failed	33%

	agrees with BPG submission and majority community responses
	Staff presented both options without recommendation
	agrees with BPG submission and majority of community responses

Note: When the three items were voted on individually at the meeting, the sense on some was reversed. For example, the first item was to rezone Lots 160 and 161 from Parks to Residential. The motion raised for voting was "Not to Proceed" with that part of the Scheme. So if you were against the rezoning, you voted for the motion. No wonder people attending reported the proceedings were confusing. For the sake of clarity, the voting results have been normalized. The For and Against are in context of the original sense of the Local Planning Scheme 10 Amendment 4 documentation as originally publicised by ToFB, and with the ToFB Staff recommendations. The actual vote may have been the opposite in the case of the motion wording "Not to Proceed".

10. Next Meeting: 8-Jun-11
